# MANOSAI EERABATHINI

101 S 39TH ST. APT. B401 • PHILADELPHIA, PA 19104 • 408,242,2453 (c) • WWW,MANOSAI,COM • MANOSAIE@SEAS,UPENN,EDU

#### **OBJECTIVE**

I am a rising sophomore at the University of Pennsylvania seeking a product management internship role in the high tech. industry. Enrolled in the inaugural program of Rajendra and Neera Singh Program in Networked and Social Systems Engineering, I have specific interests in the underlying fields of economics and networked markets. I aim to gain experience using computer science to create innovative technology in these areas.

## SKILLS AND LANGUAGES

Java, C#, Ruby on Rails, JavaScript, OCaml, Hadoop, HTML, CSS, SQL, SimpleDB, Salesforce.com, SEO

### RELEVANT COURSEWORK

Algorithmic Analysis & Data Structures Scalable and Cloud Computing

Object Oriented Design Mathematical Foundations in Computer Science Programming in Java
